

ABOUT ME

Greetings, I am Loh Hui Yi and I am 21 years old now. I am an enthusiastic and dedicated student at Universiti Teknologi Malaysia (UTM) pursuing my academics. I enjoy a variety of activities that let me develop my creativity and analytical abilities, such as reading, painting, and coding. I also love to cater, which is a great fit with my desire to make other people's experiences joyful. I'm constantly looking to learn and develop in new areas through my varied interests and academic endeavors.

EXPERIENCE

Development & Academic Projects

- Created responsive websites using HTML, CSS, and JavaScript, including a personal portfolio site with high Lighthouse scores.
- Built 2D/3D visual projects and mini-games using C++ and OpenGL, exploring animation, lighting, and transformation techniques.
- Applied UI/UX design principles and conducted user testing for academic projects.
- Practiced version control with Git and collaborated on small-scale team coding tasks.
- Gained hands-on experience in multimedia software, computer graphics, and frontend development.

Part-Time Work Experience

- *Florist Assistant – Lovely House*
Assisted with flower arrangements, customer service, and deliveries, demonstrating attention to detail and creativity.
- *Hawker Stall Assistant – Local Food Stall*
Supported daily stall operations including food preparation, customer interaction, and handling cash in a high-paced setting.
- *Waitress & Cashier – Nie Nie Canteen*
Provided excellent customer service, handled transactions accurately, trained new staff, and maintained a clean and efficient work environment.
